CEFC Student Ministries Dinner and Student Auction

Here at Community Church, we are pursuing not only ways for our students to Grow Spiritually, but also Socially and throughout their lives. This includes but is not limited to the following:

- A Strong Work Ethic
- Positive Community Relations
- Excellent Communication Skills
- Good Self Esteem
- Humility

We understand that with the economy changing the way it is and with as many events as the students desire to be a part of, life begins to get expensive. We desire to provide some of the best options and opportunities for our students, while at the same time seeking to keep things affordable. In an effort for us to be good stewards with the money that we have as well to assist you in keeping your costs low, we are providing several opportunities for students to raise funds to assist with their event costs.

For our first opportunity, we invite you to attend and participate in the CEFC Student Ministries Dinner and Student Auction.

So What is this?

Our students (Jr. High, High School and College) have a large number of opportunities and options available to them in activities, retreats, trips and events. Some of these events are simple opportunities for them to enjoy themselves in a safe and fun environment. Some deal with their own personal growth and development. Some are focused on enabling them to turn around and serve either the local community or another one.

To assist in helping to offset the cost of these events, our students will be hosting a dinner and a student auction. All funds raised from the dinner will assist with keeping the costs of these events low for all participants. During the dinner, there will be a silent as well as a live auction involving these students. The funds received for the auction will go directly to the participating students.

How does this work?

You are invited to attend the dinner with family and friends. Donations for dinner will be accepted at the door. Childcare will also be available and donations will also be accepted. During the course of the meal, A silent auction will be held for items and services (babysitting, yard work, cleaning, housework, etc.) Between Dinner and Dessert, a live auction will be held with Students for similar services. Checks and cash will be accepted for the winning bid. Bids may be redeemed up to 6 months after the auction. Any services not claimed after 6 months will be considered a donation to CEFC Student Ministries. Students will have additional specified information that can be downloaded at CEFCYouth.com
