## Jesus and Relating with Parents\* Luke 2:41-52

### Thoughts to Think about

(Go home and do these alone, with a family member, or discuss them with a friend.)

1. What does obeying parents have to do with obeying Jesus?
2. During bible times, it was common for people to travel in different groups. Joseph thought Jesus was with Mary in a group while Mary thought that Jesus was with Joseph. Miscommunication was common even for them. When was the last time that you had a miscommunication with your parents?
3. What is the biggest lesson in this passage in dealing with your parents? (v.51)
4. Ask your parents if you would be grounded for doing what Jesus did. If they say yes, ask them for "how long?"
5. Do you think it would be strange for people to be that interested in God? As interested as Jesus was? What does it look like to be Really interested?
