

STUDENT MINISTRIES

We started off last month by connecting with the community at this year's Children's Fair and hosting The Limbic System. We then held our first Student Ministries Leadership Team meeting where we joined our student and adult leaders to meet and discuss possibilities and options for both the present and the future.

I spent a day in Sacramento with Gene Ilten and Walter Kirklin going through some additional training to put together work on our website. I am excited to see how well our Student Ministry Website ranks with numerous other Youth ministry websites. I am also reminded of where we need to go and how much additional time work resources an effort needs to be invested.

As I'm writing this, we are making last minute contacts and arrangements for this year's 4th annual **LC Springfest**. At the time of this writing, we have more than 20 bands and people from not only our church, but several other churches in both California and Nevada. I was reminded that things don't always work out as planned, and that's because God has a bigger picture. Sometimes I not only get wound up in the details, I can also worry a lot. I don't like letting people down, I don't like getting in trouble and I hate failing. But I'm reminded not to worry¹, that God has things under control² and that not only will **He** provide³, but that **He** will not be taken surprise⁴. I am grateful for a strong team that God has provided to make Springfest successful. April Williams, Todd and Brenda Murray, Brittnay Mauck, Melissa Hubbard, Dan Simpkins, Ted Krans, Jake Nolen, the Urburu family and Michelle Fong are just a handful of people who made that come together. Many of them put countless hours of work in. I am very blessed by their teamwork and partnership.

By the time you read this, we will have also had our **Sr High honor night** for our graduating Seniors. Ruth Ellis has done much with her team of student leaders to minister to our High School Class of 2010. Thanks to Sandra Cardenas, Mollie Williams, Frankie Fong and again, a number of others who helped make that happen.

PARTNERSHIP

This Month we will be hosting our Jr High Grad night, partnering with Janesville Bible camp to provide a Sr High Summer Retreat (June 10-12) and once again being the host church for **Serve Susanville**. Again, this year will be a great opportunity to participate in a LOCAL Missions and Service experience. This year's **Serve Susanville** will take place June 21-26. As a new option, we will also hold a weekend option June 24-26. Lassen county churches have been given a tremendous discount. The 6 day program only costs \$50 per person and the 2 day program only costs \$25 person. I Hope that you can participate this year! You can check out the youth website for additional information.

Grateful and Growing,

Jackson Fong
Student Ministries Pastor
