

STUDENT MINISTRIES

With a Month of school out of the way, schedules have filled up and most of us have settled into general routines.

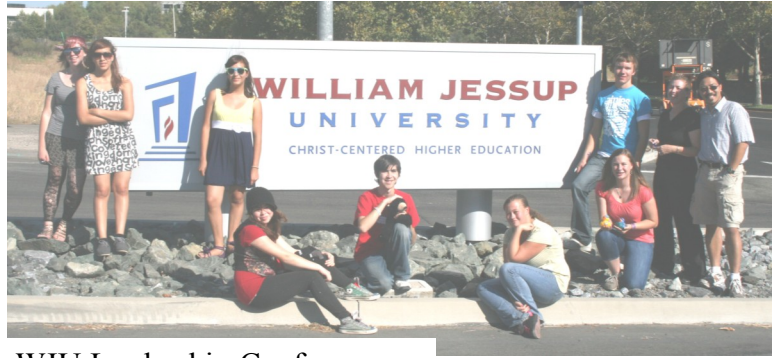

As our leadership teams have met and discussed and planned, we've revamped much and are striving in raising the standards across the board.

I find it interesting that when we strive to grow, challenges and distractions seem to come up more often. Your support in praying for perseverance in moving forward would be appreciated.

Last month we took a group out to William Jessup University to connect with over 40 other churches to be challenged and to grow, both personally and as a team. I was also blessed with the opportunity to lead two of the break out seminars. It was interesting to me that the two weeks before God had brought me through a slew of events to prepare me for the sessions.

Our girl's group had a great kickoff. Thanks to Nancy Larimer, Jennifer Ururburu, and Michelle Fong for all their help.

We joined together with people from Susanville Church of The Nazarene, Grace Fellowship and Honeylake Assembly for our Annual See You At The Pole Rally. As I'm writing this, students are preparing to meet and pray tomorrow.

WJU Leadership Conference

This last Month our College Group also enjoyed a simple Game night to fellowship and connect.

This Next Month, we will only have one Major Event across the board for Student Ministries. Joshua Fest had changed locations for this year and as a result of many factors, we are not taking a group this year. However, thanks to a great number of people connecting with us, God has graciously provided an opportunity to host the Take Everything Tour. Featuring the groups Seventh Day Slumber, The Letter Black and KJ-52, these bands will be playing at Joshuafest, then coming here to Susanville Sunday October 24th. God brought together sponsors who have come together to make this event free of charge. This will be an incredible night of encouragement, challenge and a great opportunity to share the Gospel. We are looking for volunteers to help with set up, clean up, and counseling as there will be an opportunity for people to come to Christ.

Please let me know if you are interested in participating. More information is available online at CEFCYouth.com
