Serve Partnerships Unlimited Work-a-Thon at Janesville Camp 2010

"Hello, I am _____from CEFC. I am trying to raise funds for _____ .

Our June trip we will be working in Janesville and Susanville working with a Children's Camp, a Shelter and a Crisis pregnancy center along with Susanville Parks and Rec, The County Fair Grounds and More. We will not only receive training, but we will be doing several different work projects to help these agencies as well as our community. This is a good opportunity not only to learn life skills, but to also help serve people in need. This year we will also be working with a local Indian group as well.

As we raise funds, Janesville Bible Camp will directly benefit from our labor. Janesville Bible camp not only touches the lives of students, but it also partners with other groups like the Boy Scouts of America.

We will be serving in some of the following ways: Carpentry, Masonry, Children's Projects, Landscaping, Painting, and other areas.

Would you consider joining as a sponsor for our Work-a-thon?

Any extra funds raised will either be used to help me on other trips or can be used to help others for this event.

Donations are Tax Deductable. Checks can be made out to Serve Partnerships Unlimited or CEFC.

Work Days will be for no more than 8 hrs a day.

Work Day 1:Saturday, May15th Work Day 2: Saturday, June 5th

You can give per hour or a flat amount. Tool and other supply donations are also welcome.

Would you be willing to partner with me? Thank you for your support.
